

**MEDICATION DISPENSATION FORM**

The following must be adhered before Camden County Child Care Center personnel may dispense medication:

- A. Authorization to dispense medications shall be limited to two (2) weeks, unless prescribed by a physician.
- B. The medication shall be in the original labeled container.
- C. The medication container shall be labeled with the child's full name, doctor's name, type of medication, how much to be given and expiration date.
- D. Center must have written authorization form before medication can be dispensed to the child.
- E. Personnel shall not dispense non-prescription medication at the Camden County Child Care Center.

I, \_\_\_\_\_, parent or guardian of \_\_\_\_\_, understand that the Camden County Child Care staff no longer are authorized to dispense over-the-counter medication to children enrolled in the child care program. I further understand that my child may not attend the program if he / she has a temperature of 101 degrees or above.
